

Data Protection Policy

Thank you for trusting Aqua for All and Roots of Impact with your data. We understand the responsibility of protecting the information you are providing, therefore, would like to let you know more on the purpose of this data collection and how are we going to use the data from the moment you fill out this application form. We take this responsibility very seriously and are fully transparent on the whole data collection and processing part. For any questions you may have, please send us an email at: ilfforwash@roots-of-impact.org.

What data are we collecting and why?

The data collected involve information about your company. Providing these data to the data collector is a choice, hence the data provider is fully responsible for the submission of the application. Aqua for All and Roots of Impact collects the data from the application forms with the purpose of making a full, clear, and fair judgment in the selection process of the Impact-Linked Fund for WASH. Aqua for All and Roots of Impact has no other interest in the data provided and will solely use them for internal purposes that serves best for the selection process.

Who can access the data and how can the data be accessed?

Aqua for All and Roots of Impact, as the data collector, ensures the data provider, the applicant, that these data will not be used for other purposes than the one listed in the previous section. Aqua for All and Roots of impact will protect the data provided and will not share any of this information with third parties. The only parties that can access the data are: Roots of Impact, Aqua for All, and the data provider. That being said, the latter can require at any moment a copy of the application form by making a formal request via the official email of the program. The data provider can also require via a formal request the immediate deletion of the data provided.

For any questions related to the handling of your data, contact us at: ilfforwash@roots-of-impact.org.
